

SRO BASICS - 2 DAY COURSE

School Resource Officers

This two-day course will provide officers the skills and knowledge necessary to work as a competent SRO in the school environment. Being an SRO is much more than just re-locating a police officer from a patrol position to inside a school building.

A Successful SRO Will ...

- Make changes in policing mentality
- Understand the value of available resources
- Learn to understand special populations (autism, special needs students)
- Understand that areas such as miranda, search & seizure, free speech/expression, are considerably different in schools
- Learn class presentation skills
- Adopt specific knowledge of critical rules and laws that govern school policing
- Recognize parent interaction nuances
